Dear Supervisor Lovelock,

I was recently contacted by Mrs. Heather Rawlins of the non-profit, "Family Readiness Group" (FRG) at Selfridge Air National Guard Base. Mrs. Rawlins is the FRG president for Bravo Company 3-238th Army Aviation (Chinook helicopter) Unit. Her husband is also a member of this very prestigious Company. 3-328th Bravo Company has been called upon more than any other aviation unit in Michigan. They were deployed to Iraq in 2004, Afghanistan in 2012, and are scheduled to be deployed again to Afghanistan for 1 year this November.

Mrs. Rawlins has organized an FRG picnic at Brandenburg Park scheduled for July 19, 2015. The intent is to gather all the families of this soon to be deployed unit together in order to create unity among the soldiers and the families they leave behind. Mrs. Rawlins points out that while a spouse is deployed, many issues arise among their families. The FRG helps to resolve those issues. This event on July 19th is more than a picnic. It is an opportunity for the families to network and form much needed connective bonds prior to deployment this winter.

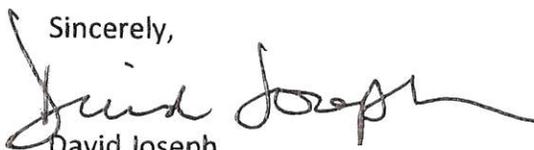

The brave men and women of our military, in particular our 3-328th Bravo Company, willingly make great sacrifice in the service of their country. They have asked for a waiver of the pavilion fees (request form attached) and I believe it is the least our Township can do for these courageous families that do so much for our township and nation.

I would appreciate your support and co-sponsorship of the following item which I would like placed on the agenda of our May 4, 2015 Chesterfield Township Board meeting:

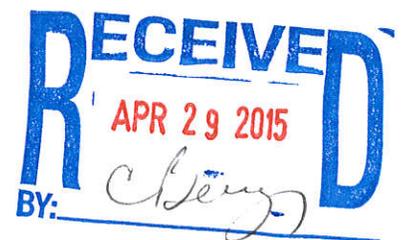

The Brandenburg Park Pavilion fees be waived for the Family Readiness Group on July 19, 2015.

Thank you for your support.

RE: REQUEST TO FILE LAWSUIT FOR PERMANENT INJUNCTION FOR
BLIGHT, AND PROPERTY MAINTENANCE AT 48823 SALT RIVER.

Mr. Lovelock,

I am requesting that the Township file second lawsuit for a Permanent Injunction against the owner of the above noted property. In the past we have filed a lawsuit and received a Temporary Injunction for Blight at this property. On both occasions, prior to the court date, the owner of the property cleaned it up just enough so we could not obtain an order to clean it up any further. Just after the court dates however, the owner started bringing back the junk and debris. At this point the Blight is worse than it has ever been. Since the original lawsuit was filed the house has deteriorated to a point that I am asking to have the house demolished or at least brought up code. I have spoken to our Attorney and she recommends that we file a lawsuit for a Permanent Injunction to require the owner to keep the property cleaned up and either demolish the house or bring it up to code.

Thank you for your consideration in this matter, as always if you have any questions please contact me.
