**Old Business:** - Art and Music Festival – what a great success with the exception of the rain. Vendors cannot say enough nice things about all we do for them. PR was great with Channel 4 and Channel 7

advertising the event. The Voice, Crane newspaper as well as the ads in the Festival's magazine assisted with advertising. Many of the vendors have already signed up for next year's event.

**New Business:** - Winter Fest - committee will meet and come up with some ideas.
