## Memorandum

To: Township Board Members  
CC:  
From: Supervisor Daniel J. Acciavatti  
Date: September 18, 2017  
Re: 2017 Drain Clean out Program (Macomb County Public Works Department)

---

### Introduction

This is a request for the Township Board to grant the Township Supervisor permission to appropriate up to \$10,000.00, as matching funds, for Drain Maintenance and Clean Out within Chesterfield Township.

### Background

The Macomb County Public Works office has implemented a 2017 Drain Maintenance / Clean Out program to clean up and clean out county drains. The monies are limited and require a local municipality match of 50% of the project cost. I authorized up to \$2,900.00 for drain clean out work at the Chesterfield Township Municipal Complex on Wednesday September 13<sup>th</sup>, which is presently in progress. I am asking for approval to appropriate an additional \$10,000 of Chesterfield Township resources to expand that project and to participate in additional projects as they arise.

### Budget Impact

The changes will increase the 2017 general fund of up to \$10,000.

### Recommendation

I recommend that the Township Board of Trustees approve the appropriation in order for us to continue to take advantage of the Macomb County Public Works 2017 Drain Clean Out Program.

Respectfully submitted,
