## HOUSEHOLD SOLID WASTE DISPOSAL

Must be curbside by 7:00 a.m.

Contained in plastic bags and/or up to 35-gallon plastic or metal containers, with total weight not exceeding 50 pounds.

## HOUSEHOLD BULK WASTE DISPOSAL

Must be curbside by 7:00 a.m. along with solid waste.

**Allowables:** include appliances, hot water tanks, air conditioners, furniture, etc.

Items such as carpet must be rolled up and secured by rope or tape, and not exceed four feet in length or 60 pounds in weight per roll.

**Not allowed:** We cannot accept vehicles, industrial equipment, sheds, buildings, etc.

*Note: For safety's sake, you are required to remove doors and racks from appliances before setting out. Freon also must be extracted.*
